Dear Principal,

It gives me great pleasure to share with you news of outstanding performance by two of your former students in their pursuit of higher education at HKUST. These students have been selected to appear on the Dean's List of the School of Engineering for the academic year of 2022-23. Their names are listed in the enclosed certificate.

At the end of each term, the University honors undergraduate students with excellent academic accomplishments by placing them on the Dean's List. Only those who have achieved a Term Grade Average of 3.7 or better, which is the top 5% of students, will be included.

As an encouragement to other students of your school, we would appreciate it if you could publicize their accomplishment to your fellow students by posting the certificate on the school's notice board.

I am sure that you find it as encouraging as we do. We are impressed by the fact that your school has educated many outstanding students and played a significant role in contributing to their continuous success.

With best regards.

Yours sincerely,
